WESTERLY METROPOLITAN DISTRICT NO. 2
2022 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS

SERVICES PROVIDED

The District, a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by order and decree of the Weld County District Court on June 24, 2020, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District operates under a Service Plan approved by the Town of Erie.

The District was established to provide financing for the design, acquisition, installation, construction and completion of public improvements and services, including water, sanitation, street, safety protection, park and recreation, transportation, television relay and translation and mosquito control improvements and services.

Westerly Metro Districts Nos. 1-4 are expected to work together to provide for the acquisition, construction, and financing of the public improvements for the Development where District No. 1 acts as the operating district and provides for the construction or acquisition of the infrastructure, District No. 4 issues the debt and Districts No. 2 and 3 act as financing districts that levy taxes and support Districts 1 and 4.

The District has no employees and all administrative functions are contracted.

REVENUES

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The District's maximum Required Mill Levy is 55.000 mills, adjusted for changes in the ratio of actual value to assessed value of property within the District. Required Mill Levy means an ad valorem mill levy imposed upon all taxable property of the District each year in a amount sufficient to pay the principal, premium if any, and interest on the Bonds as the same become due and payable [and to make up any deficiencies in the Reserve Fund]. As of December 31, 2020, the adjusted maximum mill levy for debt service is 61.230 mills.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.
