**WESTERLY METROPOLITAN DISTRICT NO. 4  
2026 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**SERVICES PROVIDED**

The District, a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by order and decree of the Weld County District Court on June 24, 2020, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District operates under a Service Plan approved by the Town of Erie.

The District was established to provide financing for the design, acquisition, installation, construction and completion of public improvements and services, including water, sanitation, street, safety protection, park and recreation, transportation, television relay and translation and mosquito control improvements and services.

Westerly Metro Districts Nos. 1-4 are expected to work together to provide for the acquisition, construction, and financing of the public improvements for the Development where District No. 1 acts as the operating district and provides for the construction or acquisition of the infrastructure, District No. 4 issues the debt and Districts No. 2 and 3 act as financing districts that levy taxes and support Districts 1 and 4.

The District has no employees and all administrative functions are contracted.

**REVENUES**

**Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The District's maximum Required Mill Levy is 59.074 mills, adjusted for changes in the ratio of actual value to assessed value of property within the District. Required Mill Levy means an ad valorem mill levy imposed upon all taxable property of the District each year in a amount sufficient to pay the principal, premium if any, and interest on the Bonds as the same become due and payable. As of December 31, 2025, the adjusted maximum mill levy for debt service is 59.074 mills.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

2026 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**REVENUES - CONTINUED**

For property tax collection year 2026, HB24B-1001 set the assessment rates as follows:

Category	Rate	Category	Rate
Single-Family Residential	6.25%	Agricultural Land	27.00%

**Specific Ownership Taxes**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District’s share will be equal to approximately 4% of the property taxes collected.

**Developer Advance**

The District is in the development stage. As such, the operating and administrative expenditures will be mainly funded by the Developer. A portion of the capital expenditures are also expected to be funded by the Developer. Developer advances are recorded as revenue for budget purposes with an obligation for future repayment when the District is financially able to reimburse the Developer from bond proceeds and other legally available revenue.

**EXPENDITURES**

**Administrative and Operating Expenditures**

Operating and administrative expenditures include the estimated services necessary to maintain the District’s administrative viability such as legal, management, accounting, insurance and meeting expense. Estimated expenditures related to street repairs and maintenance, street lights, street sweeping, landscaping, mowing, parks and open space maintenance, utilities and snow removal were also included the General Fund budget.

**County Treasurer’s Fees**

County Treasurer’s fees have been computed at 1.5% of property tax collections.

**Capital Outlay**

The District anticipates infrastructure improvements as noted in the Capital Projects fund.

**Emergency Reserve**

The District has provided for an emergency reserve fund equal to at least 3% of fiscal year spending as defined under TABOR

**Debt and Leases**

**Bond Proceeds**

The District issued the General Obligation Limited Tax Bonds on February 19, 2021, in the par amounts of:\$31,345,000 for the 2021A-1 Senior Bonds, \$5,001,197.60 (value at issuance) and \$6,730,000 (value at conversion date) for the 2021A-2 Senior Bonds, and \$8,476,000 for the Subordinate Bonds.

Proceeds from the sale of the Senior Bonds will be used to: (i) finance or reimburse the costs of public improvements related to a residential and commercial development in the Town; (ii) pay capitalized interest on the 2021A-1 Senior Bonds; (iii) fund an initial deposit to the Senior Surplus Fund; and (iv) pay the costs of issuance of the Bonds. Proceeds of the Subordinate Bonds will be used to finance additional public improvements related to the Development.

**Details of the 2021A-1 Senior Bonds**

The 2021A-1 Senior Bonds are expected to bear interest at rates ranging from 4.125% to 5.000% per annum and are payable semiannually on June 1 and December 1, beginning on December 1, 2021. The 2021A-1 Senior Bonds have a final maturity on December 1, 2050. Annual mandatory sinking fund principal payments are due on December 1, beginning on December 1, 2028.

To the extent principal of any 2021A-1 Senior Bond is not paid when due, such principal shall remain outstanding until the earlier of its payment or the Senior Bonds Termination Date of December 2, 2060, and shall continue to bear interest at the rate then borne by the 2021A-1 Senior Bond. To the extent interest on any 2021A-1 Senior Bond is not paid when due, such interest shall compound semiannually on each interest payment date (June 1 and December 1) at the rate borne by the 2021A-1 Senior Bond. If any amount of principal or interest due on the 2021A-1 Senior Bonds remains unpaid on the Senior Bonds Termination Date, such unpaid amount will be deemed discharged.

The 2021A-2 Senior Bonds will be issued as capital appreciation bonds that automatically convert to current interest bonds on December 1, 2026. Prior to conversion to current interest bonds, the 2021A-2 Senior Bonds do not pay current interest; instead they accrete in value at an annual yield equal to 5.200%. The accreted amount compounds semiannually on each interest payment date (June 1 and December 1), beginning June 1, 2021, to and including December 1, 2026. Such accreted amount, together with the original principal amount of the 2021A-2 Senior Bonds, bears interest at the interest rate borne by the 2021A-2 Senior Bonds upon conversion to current interest bonds.

The accreted principal balance at conversion on December 1, 2026, will be \$6,730,000. Upon conversion to current interest bonds, the 2021A-2 Senior Bonds will bear interest at a rate of 5.200%, payable semiannually on June 1 and December 1, commencing on June 1, 2027. Annual principal payments are due on December 1 of each year beginning December 1, 2028. The 2021A-2 Senior Bonds mature on December 1, 2050.

On and after conversion to current interest bonds, to the extent principal of any 2021A-2 Senior Bond is not paid when due, such principal shall remain outstanding until the earlier of its payment or the Senior Bonds Termination Date of December 2, 2060, and shall continue to bear interest at the rate then borne by the 2021A-2 Senior Bond. To the extent interest on any 2021A-2 Senior Bond is not paid when due, such unpaid interest shall compound semiannually on each interest payment date (June 1 and December 1) at the rate borne by the 2021A-2 Senior Bond. If any amount of principal or interest due on the 2021A-2 Senior Bonds remains unpaid after the application of all Senior Pledged Revenue available on the Senior Bonds Termination Date, such unpaid amount will be deemed discharged.

2026 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Debt and Leases (Continued)**

**Details of the 2021A-1 Senior Bonds (Continued)**

**Security for the Senior Bonds**

The Senior Bonds are payable solely from and to the extent of Senior Pledged Revenue defined generally as the following, net of any costs of collection:

- (a) the Senior Required Mill Levy; including, without limitation, the ad valorem property tax revenue derived from imposition of the Senior Required Mill Levy in tax levy year 2024 (for tax collection year 2025);
- (b) the Pledge Agreement Revenues;
- (c) the Capital Fees;
- (d) the portion of the Senior Specific Ownership Tax which is collected as a result of imposition of the Senior Required Mill Levy; and
- (e) any other legally available moneys which the District determines, in its absolute discretion, to transfer to the Trustee for application as Senior Pledged Revenue.

*“Pledge Agreement Revenues”* means the moneys derived from the Pledge Districts Capital Revenue.

*“Capital Fees”* means all fees, rates, tolls, penalties, and charges of a capital nature (excluding periodic, recurring service charges) imposed by the District for services, programs, or facilities furnished by the District, whether now in effect or imposed in the future, and include the Capital Facilities Fee.

**Senior Required Mill Levy**

The District has covenanted to impose a Senior Required Mill Levy upon all taxable property in the District each year in an amount sufficient to pay the Senior Bonds when due, but (i) not in excess of 55 mills (subject to adjustment for changes in the method of calculating assessed valuation on or after January 1, 2017), and (ii) for so long as the Senior Surplus Fund is less than the Maximum Surplus Amount, not less than 55 mills (subject to adjustment), or such lesser mill levy which will pay the Senior Bonds when due and will fund the Senior Surplus Fund up to the Maximum Surplus Amount

**Additional Security for the Senior Bonds**

The 2021A-1 Senior Bonds are further secured by capitalized interest which will be funded from proceeds of the 2021A-1 Senior Bonds in the amount of \$4,654,106 and by amounts in the Senior Surplus Fund (if any).

Except for an initial deposit of \$3,294,000 from proceeds of the Senior Bonds, the Senior Surplus Fund will be funded from deposits of annual Senior Pledged Revenue in excess of that needed to pay annual debt service (if any) up to the Maximum Surplus Amount of \$7,269,240. The Senior Surplus Fund shall be maintained for so long as any Senior Bonds are outstanding.

**WESTERLY METROPOLITAN DISTRICT NO. 4**  
**2026 BUDGET**  
**SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Debt and Leases (Continued)**

**Details of the 2021A-1 Senior Bonds (Continued)**

Except to the extent Senior Pledged Revenue is available, the District has no obligation to fund the Senior Surplus Fund after issuance of the Senior Bonds in any amount.

The forecast anticipates that the Senior Surplus Fund will be drawn upon in 2024 and 2025 to meet annual debt service requirements of the Senior Bonds. The District acknowledges that the law places certain restrictions on the use of bond proceeds and debt service mill levies.

**Optional Redemption for the Bonds**

The Senior Bonds and the Subordinate Bonds are subject to redemption prior to maturity, at the option of the District, on March 1, 2026, and on any date thereafter, upon payment of par, accrued interest, and a redemption premium equal to a percentage of the principal amount so redeemed as follows:

<u>Date of Redemption</u>	<u>Redemption Premium</u>
March 1, 2026, to February 28, 2027	3.00%
March 1, 2027, to February 29, 2028	2.00
March 1, 2028, to February 28, 2029	1.00
March 1, 2029, and thereafter	0.00

**Details of the Subordinate Bonds**

The Subordinate Bonds are expected to bear interest at the rate of 8.000% per annum and are payable annually on December 15, beginning December 15, 2021 from, and to the extent of, Subordinate Pledged Revenue available, if any, and mature on December 15, 2050. The Subordinate Bonds are structured as cash flow bonds meaning that there are no scheduled payments of principal or interest prior to the final maturity date. Unpaid interest on the Subordinate Bonds compounds annually on each December 15.

If any amount of principal or interest on the Subordinate Bonds remains unpaid after the application of all Subordinate Pledged Revenue available on the Subordinate Bonds Termination Date of December 16, 2060, such unpaid amount will be deemed discharged.

**Security for the Subordinate Bonds**

Subordinate Pledged Revenue means the money derived by the District from the following sources, net of any costs of collection:

- (a) the Subordinate Required Mill Levy; including, without limitation, the ad valorem property tax revenue derived from imposition of the Subordinate Required Mill Levy in tax levy year 2024 (for tax collection year 2025);
- (b) the Subordinate Pledge Agreement Revenues;
- (c) the Subordinate Capital Fee Revenue, if any;

(d) the portion of the Specific Ownership Tax which is collected as a result of imposition of the Subordinate Required Mill Levy; and

(e) any other legally available moneys which the District determines, in its absolute discretion, to transfer to the Trustee for application as Subordinate Pledged Revenue.

“Subordinate Pledged Agreement Revenues” means any revenue from Pledge Agreement Revenues remaining after deduction of any amount applied to the payment of any Senior Bonds.

“Subordinate Capital Fee Revenue” means any revenue from Capital Fees remaining after deduction of any amount applied to the payment of any Senior Bonds.

**Subordinate Required Mill Levy**

Pursuant to the Subordinate Indenture, the District has covenanted to impose a Subordinate Required Mill Levy upon all taxable property in the District each year in the amount of 55 mills (subject to adjustment for changes in the method of calculating assessed valuation on or after January 1, 2017) less the amount of the Senior Bond Mill Levy, or such lesser mill levy which is sufficient to pay all of the principal and interest of the Subordinate Bonds in full. Senior Bond Mill Levy means the mill levy required to be used to repay any Senior Bonds. If the amount of the Senior Bond Mill Levy equals or exceeds 55 mills (subject to adjustment) in any year, the Subordinate Required Mill Levy for that year shall be zero.
